Sermon Notes – Son of God, Son of David May 12, 2019

Jesus does the will of His Father. He is the Faithful Son.

Philippians 2:8-11

To the glory of whom? God the Father. The Father's glory is the will and initiative of Jesus.

Romans 11:7 – 16

We know the blindness on Israel and their refusal to see Jesus as the Christ has opened the Spirit to come to us, as Gentiles. I want to teach more on what the people of Israel missed, what they are still looking for as the Christ and what they will see.

The offense with Israel currently revolves around one very simple issue. Whose Son is the Christ?

Matt 22: 41-42

Why do they say this? We have to read the prophesies.

Psalm 132 summarizes God's covenant promise to David.

Psalm 132: 9-14

Isaiah 9: 6-7

Isaiah 11: 1

The Jews are looking for the Christ as the son of David. To fulfill the prophecies of his father.

Even in Matthew and Luke the first chapters address this important fact: the Christ must come from David.

Matthew 1: 1, 17

Luke 1: 30-33

Great prophecy fulfilled! The Son of David is here!

Well…

Matthew 22: 41-44

Jesus didn't come to fulfill His father David mission and prophecies in full yet. He came to fulfill His heavenly Father's mission and prophecies first! By the Spirit, in the flesh. John' Gospel gets the heart and spirit of the matter.
