

Title: The Vision of Jesus

Brandy Helton, Family Conference, 01/11/2020

Colossians 3:14

"Love becomes the mark of true maturity." This is kingdom vision. Without love we are nothing. God is love and because He is love, He has vision. He has purpose. God has intent. He is the author and He is the finisher of life. Of course, He is visionary. Amen? Who came up with the word visionary? God. For God so loved the world that He gave His only begotten son, Jesus. Whoever believed in Him would not perish, but have everlasting life. Those who would believe would live forever, right? Those who don't are condemned already.

God is visionary, and the mark of true maturity is love. For God so loved, and He has a purpose, He has a plan, and He has a way. His ways are not our ways it says in Isaiah. His thoughts are higher than our thoughts. Well, He is God. But He has chosen through Jesus, oh hallelujah, to open the heaven, and He made a way for Holy Spirit to come and live inside of us. He has chosen His family to manifest His vision. He has chosen those who will believe on His Son to save. He has chosen those who believe in Jesus to heal. He has chosen those who believe in Jesus to deliver. He has chosen those who believe in Jesus to go make disciples. He has chosen those who believe in Jesus to raise the dead. He has chosen those who believe in Jesus to be His ambassadors. He has chosen those who believe in Jesus to go and preach this gospel to all creation.

Oh, He is visionary. Love is the mark of true maturity. He is vision. Without vision, we perish. That is without fresh revelation, we go backward, and we decay. God is always growing. He is life. There's no decrease with God. So in His body, there should be no decrease. That's why we're going from grace to grace, faith to faith, and glory to glory *until* the veils are finally removed and we see Him face to face. Some would say, we are done when we cross over and we finally make it to glory with Him. But no, it's just beginning. Just the flesh is done here. Being trained and formed and molded and fashioned and we get to carry all the glory that is OVERFLOW.

God is vision. God is revelation. He's counsel. He is might. He is foreknowledge. He is before all things. He is in all things. He is the Great I Am. That's the best He could sum it up. Moses said, "Whom shall I say has sent me?" "I AM." Are you sure that they're going to get that? "I AM THAT I AM" He just added to it. "Oh." Right? Tell him "I AM," has sent you." This is true vision. This is our God. So vision is important, but it is not our Lord. **Jesus is our Vision.** "Be thou my vision oh Lord of my heart." And all that He is, is who the church should be. Be refreshed, as you hear this, because there is fresh fire on it. As you hear the truth, the truth that you hear and know and receive will set you free. It will empower you. Holy Ghost will ignite a flame in your heart, and He will pour fresh oil on that gift He put in you. He is pouring out fresh oil on us all weekend. Amen? Tend the oil in your lamps.

1 Corinthians 11:23-34–12:1-18

You are not an accident. You are not an accident. He sets each member in the body just as He pleased. That is the eldest to the youngest.

Saturday, January 11, 2020

1 Corinthians 12:19-22

Praise be to God for the Lord Jesus Christ. When I am weak, He is strong.

1 Corinthians 12:23-25

This is family. Hallelujah.

1 Corinthians 12:26-31

I'm pretty sure He's going to pour over into love. Love becomes the mark of true maturity in which God said, we have to come up into the fullness. We have to be raised up into the fullness of Jesus. The body has to mature into what? His love. *We have to receive His love, and give His love, in our* thought life, heart life, and hands and feet. Love looks like something. Love is action. Love is who God is. It is the essence of His being. Love becomes the mark of true maturity. That, beloved, is called the journey of love on this side of glory. That's where the Spirit of Truth is showing us, forgive, be healed. *Where there is sin...* spank, discipline. Because the Father loves us, He will discipline us for our profit, so that we can produce fruits of righteousness for His glory. Hallelujah! This is the body of Christ and He has chosen to equip, empower, raise up, multiply Jesus through His body to a lost and dying world. We couldn't have come up with this plan. Jesus did. Isn't He perfect? Isn't He glorious?

Matthew 28:18-20

Mark 16:14-20

That is glorious. I just hear Him saying, "**This is who I am.**"

Luke 4:18-21

Oh, He is joy and He read it in that oil of gladness, hallelujah. Happy Jesus. He is the Messiah guys. He's the Yeshua, Jesus. He is the appointed one. Of course He came in joy to finally get up and say, "**This is who I am.**" He's already been through the temptation with satan in the wilderness. He was tempted on all fronts, but He would not give in to the deceiver or to the blatant lie, as did Adam and Eve. He's already overcoming. Of course, He came out strengthened in the power of the Holy Ghost, and went out into all the surrounding region, and began to preach and say, "Repent! The kingdom of heaven is at hand, because I'm here." Truth. He went around doing good, healing all who were oppressed by the devil, by the anointing and the power of the Holy Spirit, because God was with Him. There was no one He couldn't save, no one He couldn't heal, no one He couldn't deliver. Nothing is impossible. He taught us how to pray. He said, "with man, it's impossible. Have faith in God. With God all things are possible." This is what He preached. This is what He demonstrated, love in fullness. For the Spirit of the Lord was upon Him.

Isaiah 11:1- 5

Praise be to God, our Lord Jesus Christ. Remember, Jesus, fully filled, within, without, and overflowing in the fullness of Holy Spirit. Full measure, He lacked nothing. The full counsel of God. Oh, the Spirit of the Sovereign Lord upon Him is Holy Spirit. I just proclaimed to you what He likes to do on the planet.

Psalms 45:6

Righteousness, God's way of doing things...right, holy.

Psalms 45:7

I told you He was happy when He proclaimed Luke 4. God loves righteousness. He hates wickedness. It is clear. Where the Spirit of the Lord is, there is liberty. Hallelujah! Fall like fire on us Lord.

Psalms 125

His purpose. His vision. His heart. His gospel. We, the church of the living God carry and hold the scepter of righteousness, the authority to walk in righteousness, to uphold righteousness, to uphold and carry out justice and true equity, to judge rightly over the peoples, to bring wisdom, to bring instruction, to bring help in time of need. Oh God is visionary. He has a plan. He has a purpose. One body, yet many members, many calls, many gifts, many spheres of influence. If I had everybody stand up and tell their sphere, wowza. There maybe two who may work temporarily right now in the same classroom, but you get the point. Where is the body of Christ scattered? Where do we touch? I may not be able to touch those that Brian touches. I may not be able to touch those Dennis touches. I may not be able to touch those Jeff touches. I may not be able to touch those that Matthew touches. But the Body of Christ, we are One. We're all touching. As one, right, many members. Look at the spheres of your influence. Getting everybody out of the box of just having to be a pastor of a church in these four walls. The living, breathing Body of Christ, just as Jesus, *should* go into all the world. Remember? In your heart, in your family, in your ministries, wherever you go, in education, in law, in government, in business, in arts, in media... that's what it looks like in the world. Yet, He said, "in the world you will have tribulation. Be of good cheer." There He goes again. "Be of good cheer." There is His smiley face again. "Be of good cheer. I overcame the world." This is our confidence. This is our confidence, even our faith. Because He overcame, so I overcome. This is what overcomes the world, even our faith. Faith is action, love. Faith without works is dead. Love the ones that He loves.

Deuteronomy 15:11

That's what Jesus does. God's providence is His hands open. As long as we're on this earth, He is saying, there are going to be those who are poor in spirit. Go and preach the gospel. There are going to be those who are poor physically, they lack. There are going to be those who are in need in your land, where you live. As long as we're on the earth the body of Christ will go and save and feed and clothe and rescue and be a voice and say, "This is unjust. It is a violation of the Lord's righteousness." We stand for what is right and true. We are the voice of the prophets, Hallelujah. Hallelujah. Who will go? I'm going to read this in context because you have to hear the brevity of which this is coming from. Oh, Jesus. We love you. When I get intense like this, it's like a fire. Okay. I'm not mad at you. I felt like I needed to clarify that for somebody here. When I get intense, it is the fire of God in me.

Amos 3:1-8

That ...I could just sit right there. If you can't hear Jealous talking."You only, have I known of all the families of the earth." He is jealous. He is Jealous. He is holy. He is righteous, and even His very own family He has to discipline. Even in His very own family, He will allow righteous judgments in order to see us turn back. That's why, when Jesus came, He came in grace and truth. But He said, "Repent." Nobody said it more clear than Jesus. Read your Bible. Right? He clearly said right/wrong. But He went farther than the actions, He went to the heart. He went further. He went to the heart. Faith without works is dead. If we do not act on what comes out of the heart, we will just be hypocrites. Lifeless, void of power, dead institutions, void of the Holy Ghost, zombies walking around trying to do good and trying to do what's right. But the Holy

Saturday, January 11, 2020

Ghost lives in us. This is His vision. This is His heart. The spirit of the Sovereign Lord. Thank you, Lord, what is His vision. Oh beloved, thank you God.

Acts 1:4-5, 8

Thus here we are. Here we are, and the Anointed One is smiling upon us. He has the wisdom to know how to bring about the Father's will. Why do we do what we do? Hallelujah? Hallelujah! Hallelujah! We are His body, the fullness of Him who fills all in all. We are anointed, appointed, called, and chosen. Many members, yes. All diverse but One.

Ephesians 4:1-8

In joy, He gave of Himself, the rivers of every anointing He has, He poured out and gave to men.

Ephesians 4:9-10

He has to fill all things. He says "I will go to the darkest depths for you and I will raise to the highest heights for you. I am north, south, east, west and every point in between. I am that I am." He is every cell. Life is in the cells. Amen? He says this is how we will get it done.

Ephesians 4:11-13

Till we all come. I love it. Till we all come. God wants all. All! He desires that none should perish. All, it is His will that every saint *is* on fire, full of the Holy Ghost, full of zeal, full of passion, full of love, accomplishing what He has called them to do in love. Love is the maturity and the mark. Hallelujah.

Ephesians 4:14-15

The apostolic is an anointing to see the entire body connected to the Head, submitted to the Head. Deputized, authorized, and sanctified and set apart by the Head, in first in order to establish His will and to carry it out. That every saint came come into the fullness of His love, and His purpose, and His vision, and His revelation, and His anointing, so that none should perish.

Ephesians 4:16

Hallelujah, hallelujah, hallelujah, you matter. If we have His vision, write vision. Make it clear, make it plain, so whoever reads this can run with it. We are not, "this is the way we go to church, go to church, go to church, this is the way we go to church early in the morning. This is the way we go to bible study, bible study, bible study, this is the way we go to bible study on Wednesday night." No, We are living. We are carrying the word of God. The sword of the Lord.

Hebrews 4:12

You understand what He can do? He is living, abiding, breathing. Jesus doesn't die. The flesh grows weary. When He called them at Gethsemane, "come pray with me." They were weary in the flesh. They knew it was urgent. They didn't have understanding, but they went, because they were with Him. There was no other place to go. He alone holds the words of eternal life. "Where else are we going to go?" But in the deepest, darkest hour of His heart, when He's bearing up our sin, satan's power had nothing on Him. He is the King. He bore up, taking our sin. He bore up under the weight of our stupidity and our deception. He took up the curse. He took up the wrath of God Almighty on sin. He took it up in every fiber and cell in His being. Sweat great drops of blood, conquering the curse, defeating sickness, defeating sin, defeating

Saturday, January 11, 2020

lack, defeating poverty, defeating rejection, defeating hate and murder, wickedness and self righteousness. They fell asleep. He asked, "Pray with me." And they fell asleep. They slumbered. They could not do it. We have all been there some time or another when we just can't stay awake. You know what that feels like. So is the spirit of slumber over this world. But we have been called out. "Awake oh sleeper, arise from the dead. Christ will shine on you." We have been awakened. He bore the cross. He bore the punishment. He endured for the joy set before Him. Why do we do what we do? He calls us to pray, house of prayer. Pray with me. I'm the Great High Priest. Here's my mission. Here's what I need you to intercede with me over. We need victory here, and I need boots on the ground, over there. Then I need a teacher to come and instruct here, and I need a father to go over there and rescue that little boy who does not have anyone. I need you to go rescue them out of prostitution. I need you to go and restore the brother who fell in sin. I need you to go and feed the poor. I need you to go and preach this gospel to the nations. I need you to evangelize in West Texas. You hear the heartbeat of the Lord? This is who He is. This is His vision Beloved. He called us His Garden. I did not name the Garden. I have been making the disciples since I was a disciple. It's all I have known to do, heal, deliver, save, love. God had a bigger plan. He's visionary. I answered the call, I said "yes." Simple. That call just gets bigger. That's His doing. The Lord causes the increase. This is what He spoke to me in July 2008, when He gave me the wisdom, and how to do the mandate, "go build the Supernatural Training Center in San Angelo Texas to equip the saints for the work of the ministry."

Isaiah 51:1-2

There is a covenant that has to be accomplished and fulfilled

Isaiah 51:3

Let's stand. I am undone, Lord.

Praying in tongues.

Lift your hands to Him now. Loose your fresh fire Lord. Loose your fresh vision Lord. Loose the fresh impartation of your heartbeat God. Awaken every cell. Awaken every member. Awaken every mind. Awaken every heart. Awaken every hand. Awaken every foot. Awaken every member in your household God to your righteousness, to your faithfulness, to your justice Lord. Awaken oh God. Awake. Awake and reveal your great righteousness upon your house of God. Awake, awake, awake oh sleeper. Let Christ rise upon you this moment. Receive, oh God, your people here loving you. Oh hallelujah, love is the mark of true maturity. You have given us the gift of maturity. Let love have it's final say. Let love have it's perfect work. Let love abound. May we know the length and the breadth and the height and the depth of it. May we be rooted and deeply grounded in the love of God in Christ Jesus. We are convinced. We are fully persuaded that nothing can separate us from the love of God in Christ Jesus. No principality, no power, no demon, no angel, nothing created, nothing spoken, nothing in the past, present, or future. Nothing formed or fashioned shall prosper against the house of the Lord. We are convinced of this very thing, nothing can ever separate us from the love of God in Christ Jesus. Your Garden is life bearing, increasing, bearing fruit, multiplying and having the dominion everywhere the souls of our feet go, that is our territory. That is the place of the dominion where the spirit of righteousness can prevail. Where the Spirit of Truth can come and bring those many sons and daughters, to Zion. Holy is the Lord. He sees many sons, He sees many daughters coming to Zion, running over the mountain tops, running over the hills, running through the valleys, running through the streets, running through the rivers, running in the dark places, running, running, running to come home, come home to Mount Zion for the Lord surrounds His people. The Lord's house is Mount Zion. It shall not be shaken. Hallelujah, it is forever and amen. Blessed be the

Saturday, January 11, 2020

Name of the Lord God Almighty. This is your Garden, this is your vision, this is your mandate, these are your people. We are yours Lord. The sheep of your pasture. Here we are Lord. Everyone walking in resurrection power. Everyone full of the Spirit of the Living God according to Jesus's word. You shall be filled, you shall be empowered by the Holy Ghost. He will come to you. He will not leave you as orphans. He will never fail you, forsake you, or leave you. He is your teacher. He is with you in all things. He is the seal. He is the engagement ring. He is the One that brings you to the nearness of My heart and the Father. Be filled to overflowing with the Holy Ghost. Do not despise prophetic utterance, do not withhold the tongues. Come up, come up here and see what the salvation of the Lord. You are holy, you are pure, you are altogether lovely. Your veil over us is glorious. Your holiness consumes us. We are holy unto the Lord. We are set apart unto the King. We are being made holy. He said therefore walk, be holy as your Father in heaven is holy. We have been redeemed. We have been justified. We have been glorified. We have been sanctified. Therefore, rule and reign as men and women of God. Hallelujah! Glory be to the Lord God Almighty for His vision. Oh, Jesus, we will walk with you in agreement. How can two walk together unless they walk in agreement. We receive the agreement of God. We receive the yes and amen. What would you do? Settle it. What would you say? Settle it. Where would you go? Settle it. Oh God, yes, Lord, I see a blanket of submission coming across the body. Where you go I will go. What you say, I say. What you do, I do. What you speak, I speak. I see a blanket of submission coming across the body right now. Thank you Holy Ghost for fresh oil on the submission of God. Fresh oil, fresh oil, fresh oil, on the submission. Not my will but your will be done. Right there. Fresh oil. It is a blanket of oil. It's fresh. It's clean. It's pure. It's the wisdom from above. It's always pure. It's clean and it's gentle. Heed wisdom says the Spirit of the Lord. I do nothing except that I hear the Father. Heed wisdom, heed my voice. I will hear. I will speak. I will only give what He says. Yes, Lord. We thank you. Receive that blanket of submission. A new anointing Lord God. We hear a voice behind us saying "this is the way, walk in it. This is the path. I will perfect that which concerns you. Do not be concerned with others. I will give you the wisdom to discern. Does it concern you or not? If it does not, do not touch it. Only stay on your path and do what concerns you says the Lord. Do not take the concerns of others upon yourself to weigh you down. Especially where there is disagreement. But, you walk the path. You follow me. You do what concerns Me. Do what concerns you." We heed wisdom Lord, yes. We thank you that we shall surely live not just survive. We are a company of surrendered, laid down, crucified lovers with Christ. It's no longer I that live but Christ that lives in me. The life that we live, we live by the faith of the Son of God, who died and gave himself for us. Seal the word in our hearts Lord. Put your hands on your eyes and say, "Holy Ghost we receive your vision today, tomorrow, and for eternity. We are yours. Put the salve on our eyes. We choose to buy from you gold refined in the fire so that we can see clearly how you see. We thank you God, for removing our blindness, removing the veils of unbelief, all deception, for removing the hardness from our heart, and making us soft ground, fertile soil, to bear a hundred fold. Much fruit, so that the Father can be glorified. In the mighty name of Jesus, amen. Amen, thank you Jesus. Thank you Jesus.

Song: Make Us One (live), Jesus Culture
